Elective subjects

Students MUST choose one from the four subjects listed here. These are offered during the school day.

| Art         | Spanish     | Environmental Management | Math Tutorial |

Students MAY choose one from the three subjects listed here. These are offered after school two days a week.

| Global Perspectives | Literature  | Economics |

Students MAY also choose to study Global Perspectives. This is offered from 7:30 am two days a week.

| History |

If there is sufficient interest, possible other options include:

| Travel & Tourism | Child Development | Sociology |

School of the Nations

Forms 4 and 5
Business, Humanities and Science Streams

Book List
2019 – 2021

It is of the utmost importance that every student has a copy of each text book on the Book List. The text should be brought to each class.

Students are expected to come prepared for every class. A separate exercise book is needed for each subject taken. A geometry set, calculator and graph paper will be needed for Mathematics classes.

Compilations of exam papers by year and by topic can be purchased at the school.

Please note that text books (except the ones available at the school) are not stocked by book sellers in Guyana and should be ordered online or bought overseas. Some of the Literature texts might be available in Guyana.
